

Dr Emile Sutcliffe has broad experience as Board Member and CEO in various segments of the high-tech industry. He has successfully led private and publicly traded international companies with up to 1'000 employees and market capitalizations of up to USD one billion, with a strong bias towards turnarounds, IPOs, M&As and start-ups. He was nominated "Swiss Entrepreneur of the Year" by Ernst & Young (EY).

He holds a master's degree from the Swiss Federal Institute of Technology in Lausanne (EPFL), Switzerland, did postgraduate studies at the University of Göttingen in Germany and obtained his Doctorate with honours from the ETHZ in Zurich. He was awarded a research fellowship from IBM in New York and completed his MBA at the City University of Zurich.

---

*Impossible is just a big word thrown around by small people who find it easier to live in the world they've been given than to explore the power they have to change it.*

*Impossible is not a fact. It's an opinion.*

*Impossible is not a declaration. It's a dare.*

*Impossible is potential. Impossible is temporary.*

*Impossible is nothing.*

*Muhammad Ali*
